Ortrugo.....14

Cantine Bonelli / Emilia Romagna '18

100% Ortrugo grape has been cultivated solely in the Piacenza Region of Italy since Roman times and very little is produced outside region. The aroma is of wild flowers, it's light and fresh to the palate with a slight effervescence (sparkling) this makes it extremely refreshing. Pleasant as an aperitif or enjoy with fish, antipasto mixto or a cheese platter

VINO IN TAZZA

WINE IN A BOWL

LAMBRUSCO Medici, Ermete.....13 PER GLASS / 50 PER BOTTLE

In the old taverns of Northern Italy, especially around Piacenza, Mantova and Parma where the wines are exceptionally dark, it was tradition to drink local reds out of small white bowls. Wines like the Sangue di Giuda or the bubbly lambrusco would leave dark red rings when swirled around the white bowls – a good sign of the wine's density and quality.
