

NYC's Best Basque Burnt Cheesecake

Named Flavor of the Year by New York Times, our Basque Burnt Cheesecake by Little Grace Bakery is cooked at very high heat to create its characteristic burnt exterior and a custard-like interior. The bitterness of the caramelized top and the light creamy center complement each other perfectly. Now guess what, it's gluten-free!

We are currently featuring these main flavors:

- The O.C. Basque Burnt Cheesecake
- Chocolate Basque Burnt Cheesecake
- Matcha Basque Burnt Cheesecake
